A member of the public attended to speak in favour of planning application 19/01082/FL for 5 bungalows. They outlined that this is a re-submission of a previous application that was supported by the Parish Council. The application was refused by the District Council, but didn't go to Planning Committee, the decision notice issued was inaccurate.

a)

### **309/19 Planning Applications for Consultation**

**19/01078/FLH** – Single storey side extension, new front porch and conservatory to rear, 62 Springfield Road, Barlow

**RESOLVED – to have no comment on the application.**

**19/01082/FL** – Application for the redevelopment of large bungalow and outbuildings for five small bungalows and related infrastructure (revised scheme of 19/00440/FL), Woodside, Hackney Lane, Barlow

**RESOLVED – to provide the following response:**

**Barlow Parish Council support this repeat application and ask for full planning committee consideration as the land is already developed.**

**We are mindful of green belt policy but do not see a problem with this application in that regard. We see a solution to a poor quality road frontage site being replaced with a quality small development enhancing the openness of the green belt, well screened from the road.**
